Steve is a shareholder in the firm's Business Section. He has been an author and speaker on entity choice and formation on many occasions.

AREAS OF CONCENTRATION

Business Entity Formation/Termination and Related Transactions

Steve counsels clients in the structure and formation of business entities and represents clients in various forms of reorganization, including mergers, conversion, and dissolution. He also represents clients in a wide variety of business transactions of all sizes.

Mergers/Acquisitions and Divestitures

Steve devotes a significant portion of his practice to representing clients in both acquiring and disposing of entities and assets.

Financial Institutions

Steve represents clients in a broad range of loan transactions and represents one regional banking institution.

EDUCATION
